

Innov8 Physiotherapy is a new multidisciplinary clinic in Port Alberni that emphasizes quality evidence-informed, patient-centered care and active rehabilitation. We often have a waitlist for massage therapy services so **we are seeking an enthusiastic and motivated Registered Massage Therapist to join our team.**

Our facility boasts four treatment rooms, a welcoming reception area, and a spacious fully equipped gym space. This allows us to effectively test our patients' functional capacity and readiness to return to sport.

The Location

Our clinic is located in the heart of beautiful Port Alberni, a small community on the way to the breathtaking west coast of Vancouver Island. We are perfectly situated for easy access to all the adventures Vancouver Island has to offer, whether it be surfing, skiing, swimming, biking, or hiking. It's all here!

The Clients

We serve a diverse mix of clientele, ranging from fallers and mill workers to athletes and weekend warriors. The clinic is easily accessible, located within a new commercial development complex. We have contracts to treat hip and knee arthroplasty post-operative patients, as well as WSBC and ICBC clients.

Candidate Requirements

Our focus is on quality care. The ideal candidate should be committed to clinical effectiveness and evidence-based practice, as well as having excellent communication skills. Experienced RMT's are preferred; however, new graduates are also welcome.

We offer a competitive compensation package and flexible work schedule along with mentorship and professional development opportunities. Additionally, we utilize JaneApp for clinic management and Physiotec for exercise prescription software.

Salary ranges from \$40k-\$110k depending on desired schedule.

Don't miss this opportunity to be part of our growing physiotherapy clinic!
