## **Ministry of Forests, Lands, Natural Resource Operations and Rural Development Multiple Locations**

### **Forest Technologist Inventory \$54,933.89 - \$62,318.99 annually**

A career path in [BC Timber Sales](#) (BCTS) offers exceptional opportunities to develop new solutions to complex problems, and to learn and grow personally and professionally. BCTS is a semi-autonomous program within the Ministry of Forests, Lands and Natural Resource Operations and Rural Development. BCTS plans, develops, and sells through auction, a substantial and representative portion of the Province's annual available timber volume.

As a Forest Technologist, you will perform a variety of technical and operational duties to support the planning, engineering and reforestation activities of the Timber Sales Office. Applying your knowledge of technical forestry management and field operations, you will estimate and compile resource needs, cost requirements, and conduct resource assessments. An integral part of a high-functioning, multidisciplinary field team, you will perform various activities required to develop Timber Sales Licenses and support Field Team operations.

An excellent verbal and written communicator, you act as the liaison between stakeholders, participate on a variety of committees, and prepare and present technical reports. In this multifaceted role, you will be actively engaged in field activities, make independent decisions and play an important role in the community. This position can require physically demanding field work (several days per week) with the potential for adverse weather conditions. The job can also require that you work alone in semi-isolated areas.

We are currently seeking to fill full-time and part-time permanent and temporary positions throughout British Columbia. Applicant inventories are used to streamline the recruitment experience. They are designed so applicants can be considered for multiple opportunities with the BC Public Service. Successful applicants will be placed into an applicant inventory and notified of opportunities as they arise. Only members of the inventory will be provided access to postings for these jobs.

Before you apply, please read important information on Applicant Inventories and how they work by visiting [Applicant Inventories on MyHR](#)
