RESPONSIBILITIES

- Execute all bar service duties during shifts, including preparing and serving drinks, handling guest interactions, and maintaining bar flow.
- Prepare cocktails, beer, and wine with consistency and efficiency, following house specs and quality standards.
- Support bar prep systems; batching cocktails, preparing syrups, garnishes, and ensuring mise en place is complete before each shift.
- Monitor stock levels of bar items and communicate low inventory to the bar manager in a timely manner.
- Maintain a clean, sanitary, and organized bar environment, including all tools, surfaces, glassware, and draft areas.
- Follow all provincial liquor laws and company policies related to responsible alcohol service and guest safety.
- Contribute to a positive team environment by supporting coworkers during service and communicating effectively during busy periods.

- Stay informed about current beverage offerings, including rotating taps, seasonal cocktails, and wine selections, to provide informed recommendations to guests.

Twin City Brewing is a locally loved craft brewery known for bold beer, creative food, and a tight-knit team culture rooted in quality and community. Our new venture, The Station Taphouse, brings that same energy to a reimagined heritage train station, serving up elevated pub fare with serious pride and purpose.
