

## CARETAKER WANTED

The Alberni Fish and Game Club is a non-profit organization in Port Alberni looking for live in caretakers for the club property. The property is located along the Stamp River, home to excellent fishing opportunities and has a clubhouse and rifle/trap ranges. We are looking for a couple that must be bondable, submit to a criminal record check and have or be willing to get their PAL. Work involves security; small repair and grounds maintenance to our facilities. The successful candidates must be people friendly and able to deal with the public. A recently renovated two-bedroom house is provided in lieu of wages. This is an ideal position for a healthy mature couple with no children or a retired/semi-retired couple.

Interested applicants, please apply to the following address/email as soon as possible.
