
EXPERIENCED CABINETMAKER

Pay: \$27-\$35 per hour based on experience.

De Vries Fine Woodworking is seeking an Experienced Cabinetmaker for our custom cabinet shop. This role focuses on crafting high-quality, custom cabinetry with attention to detail and precision.

Key duties

- Measure, layout, and create accurate scopes of work
- Build custom residential and commercial cabinetry
- Read, interpret, and work from shop drawings
- Plan materials and resources for each build
- Repair, modify, and reinstall existing cabinetry, including kitchens
- Assemble cabinets and millwork components
- Reinforce and trim joints using proper fastening methods
- Operate shop equipment safely
- Maintain a clean and organized shop space

Required experience

- Minimum 5 years of cabinetmaking experience
- Strong understanding of machining and assembly methods
- Proven ability to meet deadlines
- Comfortable working alone or as part of a team

Skills you bring

- Accurate measuring and layout
- Clean assembly and finishing work
- Solid problem-solving on site and in shop
- Clear communication with coworkers
- Reliable work habits
