Position: Early Childhood Educator

Start Date: March 2026 – Start date can be flexible for the right candidate

Hours: Full Time/Part Time

Wage: Starting at \$22-\$24/hour plus additional \$6/hour wage enhancement

Benefits:

- 2 weeks paid vacation during centre closures plus one additional vacation week.
- 5 paid wellness days per year after 90 days worked for full time or up to 5 days paid sick days for part time employees.
- Medical spending account after 3 months.

Requirements:

- Early Childhood Educator Certificate
- Current First Aid Level C and AED
- Two letters of reference from someone who has supervised you caring for children

Job Description:

The successful applicant will have experience and confidence in caring for and providing supervision to a group of 6-8 children as well as working alongside other staff to oversee the whole program. Teachers should demonstrate a good understanding of the early learning framework by helping children extend their play through curiosity and engagement. Additionally, this teacher will share their own interests, philosophies and passions with the program. Light cleaning and sanitizing and food preparation are also a part of this position.

About our Program:

At the Play Academy we strive to see each individual child and work towards meeting their unique needs. We draw from many philosophies to provide a balanced approach to early childhood learning with a particular emphasis on nature, child led, and family connections. We value and respect the individual qualities and experience our teachers bring to the program. Managers are available to collaborate, hear concerns, and provide support when needed.

To apply, please send a resume and cover letter to paplayacademy@outlook.com.

Only applicants that are selecting for interview will be contacted.
