WESCO FOODS is a local HACCP-certified Agri-Food production, manufacturing & distribution servicing team in the Alberni-Clayoquot Regional District.

We offer local food accessibility & development services in our community. We are also a supportive team of culinary professionals that enhances the production of our local agricultural system & locally-made food production in the Alberni Valley & beyond.

We essentially promote produced foods that are made/grown naturally or organically in BC. We established a localized food system that gives food entrepreneurs opportunities to generate growth in Vancouver Island regions; Giving them ways to develop their food brand & product(s) development. In addition, we have created a zero-food waste policy system that allows us to process all local perishable food into lasting valued items in BC.

## JOB SUMMARY

Assist the Culinary Manager(s) with multiple kitchen tasks. Ensure the highest food & ingredient quality. Measure out ingredient components to properly set up the ingredients to create the right formula. Keep the work environment clean.
