Infant Toddler Educator job summary

ᑭᑭᑭᑭᑭᑭ ᑭᑭᑭᑭᑭᑭ Aboriginal Head Start Program is seeking a **full-time Infant Toddler Educator** who will work closely with parents & other ECE’s to promote a welcoming, supportive, safe environment for parents/caregivers & their children. The IT Educator will develop, implement & supervise activities in a culturally supportive environment to meet the physical, emotional, intellectual, social, and developmental needs of the children within the program while establishing routines for children: providing them with positive guidance and nurturing.

What you offer:

- Active/Valid Early Childhood Education Certificate, or Infant/Toddler/Special Needs Diploma
- 3 years or more recent experience as a certified Infant Toddler Educator
- Excellent communication and interpersonal skills, organizational skills, and initiative
- Knowledge of Indigenous history and culture
- Proven experience in the design and implementation of age appropriate program planning and activities
- A desire to learn within a culturally focused program
- A solid understanding and adherence to the Community Care and Assisted Living Act Child Care Licensing Regulations

Job Type: Full-time Monday to Friday

Hourly Rate: \$26 to \$28.00 per hour plus benefits

Email Resumes and Cover Letter to: Attention: Cyndi Stevens, Executive Director to: employment@pafriendshipcenter.com

Please note only those selected for an interview will be contacted and preference will be given to Indigenous applicants who possess experience working with Indigenous families or programming
