

Stepping Stones Childcare

Employment Opportunity:

Alberni Valley Childcare Society is currently seeking multiple positions for a new build childcare facility in Port Alberni.

As a non-profit organization we have provided childcare programs and services in the Alberni Valley since 1972. Our programs continue to grow and expand to meet community needs for Quality Childcare.

Employees who work for our organization have the flexibility to work in a variety of childcare settings and locations. We are able to offer many great benefits for our staff, including extended dental and medical benefits, additional holiday pay, professional development funds, paid sick time and significant employee discounts on childcare fees.
