

LONG BEACH LODGE  
RESORT

---

## **Maintenance**

*Location: Tofino, BC*

*Job Type: Full-Time/Part-Time/Seasonal*

*Wage: \$18-22 per hour based on experience*

*Start Date: ASAP*

---

## **About Long Beach Lodge Resort**

Great guest experiences start with a great team, and we offer a supportive, inspiring environment where you can thrive and be part of something memorable. We offer competitive wages, great benefits and room to grow, all in the stunning surfside setting of Cox Bay.

---

## **Why You'll Love Working Here**

- Health and dental benefits for full-time team members
  - Discounted room rates for you, your family and friends
  - Surf perks including staff lessons and gear access
  - Dining and beverage discounts across our venues
  - Complimentary weekly team lunch
  - Monthly recognition and appreciation events
  - Fun staff events and a welcoming team culture
- 

## **About the Role**

As a Maintenance Apprentice with Long Beach Lodge Resort, you will play an important role in maintaining a safe and fully functioning facility while ensuring compliance with various federal, provincial and local environmental, health, safety, operating and building codes, standards and regulations. You are responsible for learning all aspects of the Maintenance Manager roll at LBLR property which includes day to day maintenance, upkeep of all machinery, and projects from time to time.

LONG BEACH LODGE  
R E S O R T

---

### **Key Responsibilities**

- Deliver exceptional service by exceeding guest expectations and building guest loyalty
  - Provide professional, friendly, and engaging service at all times
  - Ensure all resort properties are well maintained and presentable
  - Maintain and clean all 21 hot tubs, ensuring they are in proper working order
  - Clean BBQs and surrounding areas, ensuring necessary utensils are available
  - Perform both minor and major repairs and improvements
  - Take a proactive approach to equipment maintenance to prevent breakdown or damage
  - Learn and support the maintenance and repair of all on-site and off-site buildings and features, including the Lodge, Cottages, Laundry, Riptide, Surf Club, SandBar, and Staff Accommodations, as well as exterior common areas
  - Support general upkeep and tidiness of exterior areas by ensuring garbage and recycling are organized, outdoor ashtrays and garbage cans are maintained, walkways and entranceways are swept as needed, and dog waste stations are stocked.
  - Assist other departments as needed
- 

### **Qualifications**

The following qualifications and experience would be considered assets:

- Secondary school diploma
  - Trade certification, Engineering degree, or equivalent experience
  - Previous experience in engineering or maintenance roles
  - Valid Class 5 Driver's License
  - Strong troubleshooting and problem-solving skills
  - Comfort working in a technically demanding environment
  - Ability to perform light to major maintenance duties
  - High attention to detail
  - Above all, we're looking for a great attitude and a willingness to learn.
-

---

## Physical Requirements

- Ability to stand, walk, and be active for up to 10 hours per shift
- Able to lift up to 50 lbs
- Frequent bending, kneeling, lifting, pushing, and pulling
- Comfortable working outdoors in variable weather conditions
- Occasional ascending or descending ladders, stairs and ramps

---

## Staff Housing

Limited staff accommodation may be available on a first-come, first-served basis. Availability is not guaranteed. Shared accommodations include access to kitchen facilities, laundry, and Wi-Fi. Priority may be given to full-time staff or those without local housing options.

---

## Additional Requirements

- **Criminal Record Check:** Required prior to start date.
- **Reference Check:** Two professional references will be contacted.
- **Driver's Abstract:** Required for roles involving use of company vehicles or driving duties.
- **Signed Staff Manual Agreement:** required as part of onboarding, confirming understanding of workplace expectations and policies

---
