

Multi-Skilled Labourer

JOB SUMMARY:

The labourer is responsible for assisting the carpentry, painting, drywall and/or emergency services crew in completing their assigned tasks. He/she requires the skills to handle tools and materials accurately, efficiently, and safely. Good manual dexterity, attention to detail, eye-hand coordination, physical fitness, and a sense of balance are important. Ability to follow instructions and directions given by their crew leads.

JOB DUTIES:

As a labourer your duties may include, but are not limited to:

1. Assist in remediation and demolition work within the Emergency Services Department for a variety of residential, commercial and specialty construction clients in a 24/7 operation; possibility of 40+ hours per week
2. On-call and emergency response responsibilities and the availability to rotate on-call shifts after hours and weekends for emergency calls
3. Move or elevate any and all building contents that might be damaged permanently
4. Provide digital photos before, during and after emergencies and repair process
5. Learn and recognize contents listing policies and assist when required
6. Assist with demolition of fire claims, help with cleaning and other claims as required
7. Read all chemical labels including proper mixture amounts as per label
8. Ensure all documentation associated with assigned tasks is filled out accurately, completely and turned in promptly for proper invoicing
9. Maintain daily tracking of personal timesheet and job locations and tasks. Ensure that information recorded on timesheets is accurate and legible.
10. Phone clients on arrival times and keep clients aware of projected job timelines (refrain from discussing claim coverage or items not related to your trade with the customer)
11. Maintain proper hygiene
12. Knowledge of some basic carpentry, painting and/or drywall
13. Knowledge of safe operation of basic hand and power tools
14. Knowledge of workplace safety

PHYSICAL DEMANDS:

The labourer must have the ability and endurance (especially during inclement weather) to perform physically demanding and strenuous work requiring considerable standing, crawling, climbing, bending, lifting, and reaching overhead. Also must have the physical capability of working in fire/smoke, confined, and/or water damaged environments.

The Whole Show Restorations offers year-round employment and competitive wages. Group health and dental benefits, as well as life insurance and long-term disability benefits are available upon completion of the applicable probationary period.
