Follow safety protocols and best practices to ensure a secure working environment.
Collaborate with experienced carpenters and contractors to complete projects to the highest standards.
Maintain tools and equipment in excellent working condition.

Qualifications

Currently enrolled in a Carpentry Apprenticeship program (3rd or 4th year).
Basic knowledge of carpentry tools and techniques.
Strong work ethic, reliability, and attention to detail.
Ability to work independently and as part of a team.
Willingness to learn and grow within the company.

What We Offer

Competitive Top Wages commensurate with experience.
Comprehensive benefits package.
Opportunity for professional development and growth.
A supportive and collaborative work environment.
The chance to make a real impact on the communities we serve.
