

Job Title: Automotive Mechanic

Location: 3279 Kingsway Avenue

Company: Jack's Tire Sales and Service

Job Description:

We are seeking a motivated and skilled Automotive Mechanic to join our team. This role is designed for individuals who have completed their initial training or apprenticeship and are ready to work independently in a fast-paced environment. You will be responsible for performing a variety of mechanical tasks on vehicles, ensuring all work meets standards of quality and safety.

Key responsibilities:

- Conduct routine maintenance tasks, including oil changes, brake inspections and fluid checks
- Diagnose issues with vehicles and provide accurate repair recommendations.
- Replace or repair faulty parts such as brakes, front ends, shocks & struts.
- Alignments-John Bean software familiarity a plus, but training is available.
- Maintain a clean and organized work area
- Keep accurate records of services performed and parts used
- Communicate effectively with customers about services performed and any additional repairs needed.
- Communicate effectively with team members and management regarding repairs and necessary follow-up work.
- Adhere to safety standards to ensure the safety of yourself and others in the shop.

Qualifications:

- Completion of at least one-year automotive program or apprenticeship
- Previous experience in an automotive repair shop is a plus
- Basic knowledge of automotive systems and diagnostics
- Strong problem-solving skills and attention to detail
- Ability to work independently and manage time efficiently using the available support when needed.
- Excellent communication, teamwork and customer service skills
- Valid driver's license and a clean driving record.

What we offer:

- Competitive salary-probationary starting wage \$28 per hour
- Opportunities for professional development and growth
- Employee discounts on services and products
- Group medical

If you are passionate about cars and committed to providing excellent service, we want to hear from you! Please submit your resume and a brief cover letter to admin@jackstire.ca
