

Pediatric Physiotherapist

Start date: As soon as a successful *candidate is found*

Resumes reviewed, and interviews offered on an ongoing basis

Pediatric Physiotherapist

Port Alberni, Tofino & Ucluelet, BC (Vancouver Island)

Full-Time, Permanent (37.5 hours/week) *Part time options may be available for the right candidate

About the Opportunity

This is an exciting opportunity to join the team at Outreach Therapy, a community-based, not-for-profit organization serving children and families across the Alberni-Clayoquot region of Vancouver Island.

Working from a family-centred and strengths-based approach, the Pediatric Physiotherapist provides assessment, intervention, consultation, and education to children with a range of developmental needs.

Services are delivered in collaboration with an interdisciplinary team and across a variety of settings, including homes, community spaces, clinics, and virtual platforms.

This role offers the opportunity to contribute to an innovative and growing organization that values clinical excellence, collaboration, and continuous learning.

Key Responsibilities

- Provide comprehensive physiotherapy assessment and intervention for pediatric clients
- Develop and implement individualized, goal-oriented treatment plans
- Collaborate with families, caregivers, and interdisciplinary team members
- Support caregiver capacity through education and coaching
- Maintain accurate and timely clinical documentation
- Promote development and share preventative care strategies for our growing community

Practice Environment

This position serves families in Port Alberni, Tofino, Ucluelet, and surrounding communities within the Alberni-Clayoquot Regional District. You will work with diverse populations and cultures, requiring cultural humility, adaptability, and a commitment to inclusive, respectful care.

About the Organization

Outreach Therapy is a not-for-profit organization dedicated to supporting the healthy development of children and strengthening families. Our work is grounded in community connection, accessibility, and meaningful impact. Our leadership positions are currently held by clinicians who are trained in the fields of Occupational and Physiotherapy.

We are proud of our collaborative and supportive team environment and are committed to fostering a workplace where clinicians feel valued, supported, and inspired in their work.

Lifestyle & Community

Located on the West Coast of Vancouver Island, this region offers an exceptional quality of life. From coastal beaches and old-growth rainforests to mountain trails and vibrant local communities, the area supports a balanced lifestyle both professionally and personally.

Qualifications

- Registration in good standing with the College of Health and Care Professionals of BC
- Experience in pediatric physiotherapy (preferred)
- Valid BC driver's licence and access to reliable transportation
- Clear criminal record check

Pediatric Physiotherapist

Start date: As soon as a successful *candidate is found*

Resumes reviewed, and interviews offered on an ongoing basis

- Current First Aid and CPR-C certification
- Strong interpersonal, communication, and organizational skills
- Ability to work both independently and collaboratively within a team

What We Offer

- Competitive compensation in accordance with the Health Science Professionals Collective Agreement (\$45.15-\$56.03/hour)
- Comprehensive benefits package, including extended health and pension
- Generous vacation and leave provisions
- Flexible scheduling and hybrid work options
- Professional development and education funding
- Mentorship and clinical support
