

Job Title: Civil Construction Pipe Layer

Location: Port Alberni

About Us:

Sproat Lake Contracting is a leading provider of civil construction services specializing in infrastructure, utilities, and commercial projects. We are committed to delivering high-quality work and building long-term relationships with our clients. Due to our growing workload, we are currently looking to hire a skilled and reliable **Pipe Layer** to join our team.

Job Description:

We are seeking an experienced **Civil Construction Pipe Layer** to work on various projects involving the installation, maintenance, and repair of pipes for water, sewer, and storm drainage systems. The ideal candidate will have hands-on experience working with a variety of piping systems, equipment, and safety protocols in a fast-paced construction environment.

Key Responsibilities:

- Excavate trenches and lay pipes according to project plans and specifications.
 - Install, repair, and maintain underground pipes for water, sewer, and stormwater systems.
 - Align and position pipes using hand tools, machinery, or other equipment.
 - Ensure proper bedding, backfilling, and compaction around pipes.
 - Perform checks to ensure pipes are level, aligned, and securely fastened.
 - Read and interpret blueprints, drawings, and technical specifications.
 - Ensure all work is completed to safety, quality, and regulatory standards.
 - Collaborate with team members, foremen, and other trades to ensure efficient project progress.
 - Maintain a clean, safe, and organized work environment.
 - Adhere to all safety procedures, guidelines, and industry standards.
-

Requirements:

- Proven experience as a Pipe Layer or similar role in civil construction.
 - Strong knowledge of pipe installation techniques and safety protocols.
 - Familiarity with different types of pipes (PVC, HDPE, ductile iron, etc.) and related fittings.
 - Ability to read blueprints and construction drawings.
 - Excellent physical fitness and ability to work in varying weather conditions.
 - Strong attention to detail and problem-solving skills.
 - Ability to work independently and as part of a team.
 - Reliable and punctual with a strong work ethic.
-

Preferred Qualifications:

- Valid driver's license and reliable transportation.
 - Certification in HDPE an asset.
 - First Aid/CPR certification.
 - Experience working on commercial or large-scale infrastructure projects.
-

What We Offer:

- Competitive salary offered, ranging from \$27.00/ hour for entry-level position to \$40.00/ hour for candidates with extensive experience.
 - Opportunities for career growth and advancement.
 - Benefits package after successful completion of probationary period.
 - A supportive, safety-focused work environment.
 - On-the-job training and development.
-

How to Apply:

If you are a motivated, safety-conscious individual with a strong background in civil construction and pipe laying, we encourage you to apply. Please submit your resume with **Pipe Layer** in the subject line to hr@sproatlakecontracting.ca. Sproat Lake Contracting is an Equal Opportunity Employer. We value diversity and are committed to creating an inclusive work environment for all employees.
