

Job Title: Civil Construction Pipe Layer Helper

About Us:

Sproat Lake Contracting is a leading provider of civil construction services specializing in infrastructure, utilities, and commercial projects. We are committed to delivering high-quality work and building long-term relationships with our clients. Due to our growing workload, we are currently looking to hire a skilled and reliable **Pipe Layer Helper** to join our team.

Job Description:

As a **Pipe Layer Helper**, you will support experienced pipe layers in the installation and maintenance of pipes for water, sewer, and stormwater systems. This entry-level position is ideal for candidates who are looking to gain hands-on experience and learn the trade while working on various civil construction projects.

Key Responsibilities:

- Assist in the excavation and preparation of trenches for pipe installation.
- Carry and position materials such as pipes, fittings, and tools at the job site.
- Support the pipe layer team by digging, measuring, and aligning pipes under direction.
- Help with the backfilling and compacting of soil around installed pipes.
- Maintain and organize tools, materials, and equipment on the job site.
- Follow instructions from foremen and pipe layers to ensure proper installation procedures are followed.
- Operate basic hand tools and equipment safely.
- Assist in maintaining a clean and safe work environment.
- Adhere to all safety standards and construction site protocols.
- Perform basic site cleanup and debris removal.
- Participate in daily toolbox talks and safety briefings

Requirements:

- Previous experience in construction or manual labor is a plus but not required.
- Willingness to learn and assist in pipe laying tasks.
- Basic knowledge of construction tools and safety protocols is preferred.
- Ability to follow instructions and work as part of a team.
- Strong physical stamina and ability to work in outdoor environments and varying weather conditions.
- Ability to lift and carry heavy objects (up to 50 lbs).
- Good communication skills and a strong work ethic.

Preferred Qualifications:

- Valid driver's is required.
- First Aid/CPR certification an asset.
- Traffic Control Certificate an asset.
- Ability to read basic construction plans or blueprints (preferred, not required).

What We Offer:

- Competitive salary offered, ranging from \$22.00/ hour for entry-level position to \$30.00/ hour for candidates with extensive experience.
- Opportunities for career growth and advancement.
- Benefits package after successful completion of probationary period.
- A supportive, safety-focused work environment.
- On-the-job training and development.

How to Apply:

If you are a motivated, safety-conscious individual with a strong background in civil construction and pipe laying, we encourage you to apply. Please submit your resume with **Pipe Layer Helper** in the subject line to hr@sproatlakecontracting.ca Sproat Lake Contracting is an Equal Opportunity Employer. We value diversity and are committed to creating an inclusive work environment for all employees.
