ANCIENT SPIRIT, MODERN MIND

Water Technician

Background: The supply side of the system includes wells, pump house, chlorinating equipment, and a reservoir. The distribution system supplies water to a residential community, Administration office, public buildings and seasonal campground. The system includes two a pressure zones, Hydrants and standpipes and water mains of various sizes and materials. The Huu-ay-aht Public Works Department oversees the planning regulation and budget for the system.

The Water Technician's duties include:

- Inspects and operates the water system including all routine repairs and adjustments required for operation.
 - Supports the maintenance of the water pump house and all components of the distribution system.
 - Supports the maintenance of all of the wastewater systems, to include septic tanks, fields, and pump stations.
- Responds to all public inquiries, complaints, and requests for service.
- Supports the supplying of water including the testing procedures to Federal Environmental Health Standards.
- Collects and reports water quality monitoring and test results to Heath Canada's Water Trax program.
- Any other related duties as assigned.

Education and Experience Requirements:

- Valid class 5 driver's license or equivalent required.
- Water operator certification required or willing to obtain certification immediately.
- Machine operator certification required or willing to obtain certification immediately.
- Automotive or small engine repair experience or certification an asset.
- Carpentry, Plumbing, and electrical experience or certification an asset but not required.
- High School diploma or equivalent (GED) an asset but not required.
- Experience in organizing, managing and communicating activities to ensure the project and program objectives are met.
- Good oral, written communication and presentation skills.
- Level 1 Occupational First Aid and Transportation Endorsement an asset.
- Small Vessel Operator Proficiency (SVOP) an asset but not required.
- Ability to promote a performance-focused environment in alignment with the HFN's values, culture and business goals.
