

Job Posting: Redd Fish Supply Co. Shop Attendant

We are seeking an outgoing customer service representative for the Redd Fish Restoration Society's Supply Co. Storefront and Café. This role is an integral part of the organization, providing a first impression of the organization's history, current projects and future vision. The ideal candidate will have a passion for the outdoors and be able to communicate the goals of the organization to visitors of the space.

Responsibilities

Redd Fish Supply Co.

- Welcome customers and demonstrate product knowledge
- Engage with customers, explain the goals of habitat restoration
- Maintain clean and inviting customer space, cafe, and back room
- Restocking product as needed
- Send online orders
- Communicating shop needs to Store Manager
- Assisting customers with transactions
- Process payments and complete cash outs
- Responsible for Opening and Closing duties of the retail space
- Operate coffee station – serving coffee and baked goods
- Communicate Redd Fish's mission and share our various projects and restoration work

Community Outreach

- Representing Redd Fish at outreach stations, special events, and engaging with Supply Co. visitors
- Managing logistics of transporting supplies, travel to the destination, set up and tear down

Qualifications/Experience

- Food Safe Certification an asset but not required (training provided)
- Cafe/Barista experience an asset but not required (training provided)
- Cash handling experience preferred

Compensation and Benefits

Compensation for this work will be an hourly rate of \$22-25/hour based on experience. We are happy to offer an extended benefits plan to candidates who maintain 20 hours/week and work past the 3-month probation period. Additionally, you will get store discounts and special offers from brands we work with.

Duration of work

This role will provide part-time employment, based on availability.

To apply

If you have any questions or would like to apply email your resume to mac@reddfish.org and emily.zecchino@reddfish.org if you are interested.

Note: This role does not include field work on restoration projects
