## Hiring a Carpenter & Carpenter Helper

Company Name: Sylvan Home Builders Inc.

[www.sylvanhomebuilders.com](http://www.sylvanhomebuilders.com)

Location: Tofino/Ucluelet, BC

Job start date: August 2022

Schedule: Full-Time/Year round

Wage: 25-40\$/h depending on experience

Hours: 30-40 hrs/wk - Health benefits package available

### Details:

Sylvan Home Builders Inc. is a successful, growing contracting business in Tofino and Ucluelet building custom homes and renovations. We are looking for experienced Carpenters and Carpenters Helpers who work well with others and are interested in learning and working in an upbeat environment.

Sylvan Home Builders needs someone with a positive attitude who takes the time to understand what is involved to complete each project in the safest, most efficient way. The ideal candidate has experience with power tools and a good work ethic. Good organizational skills are required to complete daily tasks and excellent workmanship with the ability to clearly communicate with co-workers on site is essential.

**Skills and Qualifications:** experience working on construction projects

First Aid Certification is an asset but not required.

Successful applicants will supply their own hand tools, PPE, and must be willing to work outside in all weather. Must have your own vehicle and secure local accommodation.

Training offered if interested in pursuing carpenter apprenticeship.

Blue Cross health benefits available after trial period.
