## Spotlight on Services

### ➤ **Apprentice Financial Supports:**

Apprentice financial supports are available to eligible apprentices while completing classroom apprenticeship training. You may be eligible for temporary financial support during the in-school portion of your apprenticeship program. Two types of financial supports are available while attending apprentice class room training:

- **Employment Insurance benefits** provided through [Service Canada](#).
- **WorkBC Apprentice Services Financial Support** managed by the Ministry of Social Development and Poverty Reduction, to assist with your expenses while you attend in-school training and may cover: living supports, dependent-care / childcare expenses, commuting costs, travel costs for relocation to a temporary residence while in training, disability related costs and living away from home costs.

You can apply for WorkBC Apprentice Services if you are an ITA (Industry Training Authority) registered apprentice who meets EI eligibility as an Active EI Claimant receiving EI benefits or has received EI benefits within the last five years.

**Getting Started:** Apprentices who meet the criteria must apply for WorkBC Apprentice Services Financial Supports through the [Online Employment Services](#). For more information give a WorkBC centre a call at 250-724-4560 (Port Alberni), 250-725-8805 (Tofino), 250-726-4243 (Ucluelet).
