## Spotlight on Services

➤ **Unpaid Work Experience:** Unpaid Work Experience provides eligible BCEA clients with short-term work experience opportunities necessary to develop or improve employment readiness. By working in an employment environment, the client is supported in making informed occupational choices, enhancing skills and employment networking. Placements should be selected based on a client's background, interests and needs, rather than the employer's needs. The purpose is to allow clients to explore occupations, interests, skills and potential customized job opportunities that are a fit for the client. Case-managed BCEA clients are eligible for Unpaid Work Experience when the client requires work experience to assist in successfully achieving employment.

**Getting Started:** Call one of the WorkBC Centres to make an appointment with an Employment Counsellor or inquire about Unpaid Work Experience. Port Alberni – 250-724-4560, Ucluelet - 250-726-4243 or Tofino - 250-725-8805.

➤ **Training Financial Supports:** All case-managed WorkBC clients may be eligible for financial supports for costs associated with Skills Enhancement Training Services, including tuition, books and supplies, the cost of travelling to and from a course, incidental training expenses and living away from home.
