➤ Trades Training

Ever considered a career in the trades? The need for skilled tradespeople in B.C. is increasing, along with exciting, well-paid, employment opportunities. To work as a certified tradesperson, you need training combined with job experience. Trades training typically takes between one to five years. Most apprenticeship programs take four years. The technical training takes place in a classroom or shop setting at a public institution such as a college or institute, or at an approved private training institution. To earn your "ticket" as a certified tradesperson in B.C., you must:

- Complete the required on-the-job hours and the in-school training
- Pass the examinations
- Earn the recommendation of your sponsoring employer.

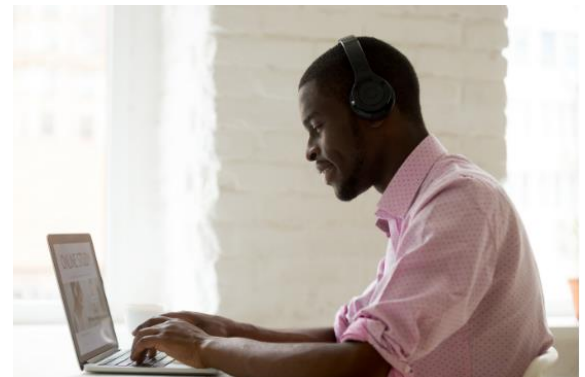

Getting Started: To learn about the variety of options available and get started on a path to a career in the trades, visit workbc.ca.

➤ Online Skills-Building Sessions

We have created online workshops for some of the most in-demand employment topics. These are pre-recorded Skills-Building Sessions that have been adapted from our in-class workshop content. To view one of these sessions, you will need a computer or mobile device, an internet connection, and an email address.

Topics: Resume creation, cover letter creation, job search skills and interview skills.

How to participate: Contact us at 250-724-4560 or info@avemployment.ca and we'll send you a link to the video we created on YouTube, along with instructions and supporting documents.

Upcoming Events

➤ STEP YA

STEP-YA is a 16-week skills training program provided by INEO Employment Services for young adults who are experiencing barriers to finding sustainable employment in the Alberni Clayoquot Regional District. Young adults aged 17 through 27 years will develop the theoretical, practical, occupational, and essential skills required to find and maintain employment in a variety of labour market sectors. A training allowance is provided to young adults who are committed to successful outcomes through active participation in a combination of classroom training and hands-on work experience leading to additional education or employment. The next STEP-YA group is expected to start in February 2021. You can apply now at <https://www.ineoemployment.com/step-ya/>
