Spotlight on Services

➤ **Apprentice Financial Supports:**

Apprentice financial supports are available to eligible apprentices while completing classroom apprenticeship training. You may be eligible for temporary financial support during the in-school portion of your apprenticeship program.

WorkBC Apprentice Services Financial Supports are managed by the Ministry of Social Development and Poverty Reduction, to assist with your expenses while you attend in-school training and may cover: living supports, dependent-care / childcare expenses, commuting costs, travel costs for relocation to a temporary residence while in training, disability related costs and living away from home costs.

You can apply for WorkBC Apprentice Services if you are an ITA (Industry Training Authority) registered apprentice who meets EI eligibility as an Active EI Claimant receiving EI benefits or has received EI benefits within the last five years.

Getting Started: Apprentices who meet the criteria must apply for WorkBC Apprentice Services Financial Supports through the [Online Employment Services](#). For more information give a WorkBC Centre a call at 250-724-4560 (Port Alberni), 250-725-8805 (Tofino), 250-726-4243 (Ucluelet).

➤ **Employment Counselling:** WorkBC can help you achieve your job search, career development and training goals with the personalized, one-on-one support of an Employment Counsellor. If you are unemployed or working fewer than 20 hours per week, not currently in school, and legally entitled to work in Canada, you may be eligible for financial supports for skills training, short term courses, job-search workshops, career assessments and job start supports.

Getting Started: The first step is to make an appointment with a WorkBC Employment Counsellor to confirm your eligibility.
